### OUR FINANCIAL POLICY

Thank you for choosing us for your dental needs. We are committed to providing you excellent care. We feel the best thing about our style of dentistry is our commitment to quality. If you've been with our practice a while, you already know our attention to detail and fine materials are second nature to us. But everyone's financial situation is different. And good dentistry won't count for much if it is beyond your means.

We accept major credit cards :Visa, Master Card, American Express and Discover and, if you qualify, we'll work with you to devise a method of payment amenable to us both. Our office also offers Care Credit for interest free payment plans.

We work with most dental insurers. Carriers vary, but we'll try to help you get the most benefit out of your particular policy. We'll file your claim forms for you and answer any questions we can. Our fees reflect our commitment to the quality our patients deserve and are considered usual and customary for the area, regardless of any insurance company's determination. Please keep in mind you are responsible for your total obligation should your insurance benefits result in less coverage than anticipated. We do ask that you pay your copay at each visit

We also offer a reduction in fee, for amounts over \$500.00 when paid on day of treatment with cash, check, Visa, Master Card, American Express and Discover cards.

#### Minors

Payment for services is the responsibility of the adult accompanying that minor.

#### Missed Appointments

Be advised that the policy of this office is to charge for missed appointments unless they are canceled 24 hours in advance.

#### Financial Consent

The patient (guardian) agrees to be fully responsible for total payment of treatment performed in this office.

I understand and agree to this Financial Policy and Agreement
